A piece of history: Pieter Ellender (b. 1906 - deceased 1990) is the last known Ferry boss in Nieuwe Meer if people in Nieuwe Meer are looking back to the past, then always the name of Ome Piet comes up, for this reason we named the Ferry "Ome Piet". With this name we don't want to forget the other Ferry bosses from the past. This prevents confusion with the other Ferry on the Nieuwe Meer lake, which is usually called Ferry Nieuwe Meer. Our Ferry was launched on 29 August 2010 at the shipyard Kerkhof van de Voetveer in Oude Meer. The first operating season started on 16 April 2011.
